

For Immediate Release

February 6, 2014, 6:30 PM Waterfront Community Meeting #3 will be held at George Washington Middle School

The City of Alexandria, VA will hold Waterfront Community Meeting #3 on Thursday, February 6, 2014, 6:30 – 8:30 pm, at George Washington Middle School Cafeteria, 1005 Mt. Vernon Avenue, Alexandria, VA. Parking and Entrance #6 to the Cafeteria are located in the rear of the school. This meeting was originally scheduled to be held on January 21, 2014 but was postponed due to the snow. The meeting is part of the Waterfront Landscape and Flood Mitigation Community Meeting Series which began in October 2013; it is a four-part Community Meeting Series. Community Meeting #3 will be an interactive meeting with the public, the City, and the City's two consultant teams for the Waterfront Landscape and Flood Mitigation Design project. The consultants are [The Olin Studio](#) and [URS Corporation](#), respectively. The meeting will provide a forum for the public to share its input and comments on draft refinements to the illustrative concept design which depicts parks, public space and flood mitigation measures as shown in the approved [Waterfront Small Area Plan](#).

For information shared at the first two Community Meetings, please link to the following presentations [Presentation #1](#) (October 2013) and [Presentation #2](#) (November 2013). Additionally, please link to [Public Input from Community Meeting #2](#) which provides a summary of the feedback provided by the public regarding ideas about programming, art, history and lighting along the Waterfront.

Community Meeting #4, previously scheduled for February 18, 2014, is now moved to Thursday, March 6, 2014 with the location to be announced. Based on community input from Community Meeting #3, Community Meeting #4 will narrow down the refinements in preparation for April and June 2014 Planning Commission and City Council Public Meetings.

For more information regarding the [Landscape and Flood Mitigation Design Work Program](#) and the Waterfront Small Area Plan Implementation process in general, please link to the [City's Waterfront Small Area Plan Implementation website](#) or please contact Urban Planner Richard Lawrence, with the Department of Planning and Zoning, at Richard.lawrence@alexandriava.gov.
